

X-Line24 GmbH – Exclusive importer for Go Up®

X-Line24 GmbH, based in Paderborn, is the exclusive importer of the Go Up® brand for Germany and Europe. We are the central contact for retailers, distributors, and business partners.

Our responsibilities include import, distribution, and support for the European markets in close cooperation with the manufacturer in Mersin, Turkey. We ensure reliable supply and support our partners with all questions relating to product range, availability, and delivery.

Go Up® drinks are already available in various markets and outlets and are continuously developing into an established brand in the European environment.
